RESIDENCE FOUR

THE
MILL
AT BROADWAY

Villas

Consists of four home plans attached side-by-side in two home buildings arranged along a central promenade with one-car garages. Some plans feature ground floor living and some plans include a ground floor master bedroom. The two- and three-story plans offer 1,009 to 1,399 square feet featuring outdoor rooms. Grounds and landscape maintenance will be provided by the Master Homeowners Association.
